SINCE 2022

**Our first series:** We started in 2022 with the Purim mini box for children, and gradually expanded the gift box programme to include additional boxes for various holidays. By 2025, the series included 24 gift boxes for eight Jewish holidays, with boxes for three different age groups: toddlers, children and adults.

Anytime! We generally produce a certain number of gift boxes approximately six weeks before the next holiday. Orders placed before these six weeks are considered reservations and will be shipped first after production.

## **To which countries are the gift boxes shipped?**

Almost anywhere in the world. Detailed information about shipping to a specific country will appear in the shopping cart when you select the delivery service.

## **Is customization possible?**

Since we manufacture all our products ourselves, we are happy to make individual adjustments, such as adding your club logo to our products, personalized texts, etc. Just contact us at [shalom@maamin.de](mailto:shalom@maamin.de)
